

# ST CHAD'S COLLEGE CHAPEL

EPIPHANY TERM 2018

## Chaplaincy Programme – Epiphany Term 2018

Ever since St Chad's College was founded in 1904, the Chapel has been an important part of its life. Despite the numerous changes in the College during the subsequent century, the Chapel remains a place of quiet reflection and Christian worship.

A small, humble building under the shadow (literally!) of a great cathedral, the Chapel has maintained a distinctive tradition of modern Anglican Catholic liturgy and music which draws students from other colleges and visitors from the broader Durham community.

The College is committed to being a place of inclusive, radical hospitality and the chapel offers a place of welcome whatever your religion or belief, cultural heritage, gender identity, or sexual orientation.

The College chapel is licensed by the Church of England with services open to all students and staff as well as members of the public.

### COLLEGE CHOIR

The College choir sing for most services in the chapel throughout the academic year. The choir is formed of choral scholars together with students and staff who audition to sing every year to sing in this popular Durham choir.
