## MICHAELMAS TERM 2019

## Chaplaincy Programme – Michaelmas Term 2019

Welcome to the new academic year and a special welcome to those of you who have just arrived as new members of the College.

Ever since St Chad's College was founded in 1904, the Chapel has been an important part of its life. Despite the numerous changes in the College during the subsequent century, the Chapel remains a place of quiet reflection and Christian worship.

Our humble chapel has maintained a distinctive tradition of modern Anglican Catholic liturgy and music which draws students from other colleges and visitors from the broader Durham community.

The College is committed to being a place of inclusive, radical hospitality and the chapel offers a place of welcome whatever your religion or belief, cultural heritage, gender identity, or sexual orientation.

The chaplaincy also hosts events aimed at exploring questions that emerge from a range of world faiths, beliefs and cultures. All College members are encouraged to invite friends and family to all our services and events. ***Additional events will be published during the term.***

### THE CHAPLAIN

The College chaplain, David Rushton is available throughout the term to offer spiritual and pastoral support to all students and staff whatever your religion or beliefs.

If you would like to speak with David please approach him in College or email to arrange an appointment.
