ABOUT ST CHAD'S

St Chad's is a distinctive independent college within Durham University. A separate registered charity with its own governing body, its origins date back to 1904 when it was created as a Church of England foundation to enable the ordination of clergy from poorer backgrounds. Today it is a vibrant and progressive academic community, home to approximately 600 students, including 150 postgraduates. St Chad's welcomes students and staff of all faiths, cultures, nationalities, and educational backgrounds. Its ethos is friendly, traditional, and forward-looking.

St Chad's historic buildings are situated on a World Heritage Site, adjacent to Durham Cathedral. Students and staff live and work side by side, sharing the life of a multigenerational and interdisciplinary scholarly community. The College has a strong tutorial system and is one of very few colleges to have academic research staff based within its community.
