

How to Pay your Residence Charges

At St Chad's College we are conscious of the varying demands placed upon students and their family's ability to pay for their time at University. As St Chad's is independent from the University, residence charges are payable directly to the College (not to the University).

We will send an invoice via e-mail at the start of each academic year. Payments are then due in 3 equal instalments at the start of November, 31st January and the 30th April. If you require an alternative payments plan then please contact chads.finance@durham.ac.uk

Payment can be made by bank transfer from your UK bank account into that of the College to match the invoiced amount. The College Bank Account details are:

St Chad's College
National Westminster Bank
Sort Code 52 30 44
Account Number 05108004

We ask you to use your surname and Student ID Number to provide a reference so that we can match your payment with your invoice.
