\*\*\*

## College Charges PG 2022/2023

### NOTES

1. Union (Middle Common Room) membership. A student has the right not to be a member of a student association, and a student who exercises this right will not be disadvantaged with regard to the provision of services, except that he or she will not be entitled to (1) stand for office, vote in elections, or attend meetings of the MCR, (2) use the college bar (except as a guest – up to a maximum of four times a year), (3) join clubs or societies organised and run by the MCR concerned, (4) attend any MCR event that is funded by membership dues ('Battels') except at the discretion of the MCR and on payment of an appropriate fee or (5) use any MCR facilities that are funded by membership dues ('Battels').

Students can opt out of MCR membership by notifying the MCR President and the College's Director of Finance & Operations in writing (email is acceptable) before the end of the second full week of October each year (the opt-out applies only to the current academic year and needs to be renewed in subsequent years). Unless you exercise your right to opt out, then you should pay the charges to the MCR who will email you requesting payment early in Michaelmas term. Payment can be made by bank transfer or at College reception.

The period up to the end of the second full week of October is, effectively, a free trial period during which you can enjoy all the rights and privileges of MCR membership.

It is possible for a student to opt back in to MCR Membership (or sports) at any time by paying the appropriate charges.

2. If you wish to participate in College sport you need to pay a sports levy to the JCR. MCR members should pay money direct to the JCR
3. When you leave the University, the Common Rooms will buy back your gown. The price paid will depend upon the gown's age and condition
4. This is optional, but PG students who do not live in College accommodation are entitled to a key giving access to the main College building and to the libraries. A £25 deposit is charged for keys. This is returnable upon receipt of your key when you leave College or no longer require the key
5. Replacement of a lost key incurs a charge of £30
6. Locker keys are provided by the MCR Exec who collect this deposit
