## College Charges UG 2022/2023

In cases of genuine financial hardship, the College and the Junior Common Room (JCR) will be able to subsidise some of these prices.

### NOTES

1. this is collected on behalf of the JCR and is used to reimburse College for unattributable damage (where the individual students responsible cannot be identified and asked to pay)
2. Union (JCR) membership. A student has the right not to be a member of a student association, and a student who exercises this right will not be disadvantaged with regard to the provision of services, except that he or she will not be entitled to (1) stand for office, vote in elections, or attend meetings of the JCR, (2) use the college bar (except as a guest – up to a maximum of four times a year), (3) join clubs or societies organised and run by the JCR concerned, (4) attend any JCR event that is funded by membership dues ('Battels') except at the discretion of the JCR and on payment of an appropriate fee or (5) use any JCR facilities that are funded by membership dues ('Battels').

Students can opt out of JCR membership (or the sports levy – see 4 below) by notifying the JCR President and the College's Director of Finance & Operations in writing (email is acceptable) before the end of the second full week of October each year (the opt-out applies only to the current academic year and needs to be renewed in subsequent years). Unless you exercise your right to opt out, then you should pay the charges to the JCR who will email you requesting payment early in Michaelmas term. Payment can be made by bank transfer or at College reception.

The period up to the end of the second full week of October is, effectively, a free trial period during which you can enjoy all the rights and privileges of JCR membership.

It is possible for a student to opt back in to JCR Membership (or sports) at any time by paying the appropriate charges.

3. If you wish to participate in College sport you need to pay a sports levy to the JCR. This is optional.
4. A £25 deposit is charged for keys. This is returnable upon receipt of your key when you leave College or no longer require the key
5. Replacement of a lost key incurs a charge of £30

6. When you leave the University, the JCR will buy back your gown.  
*Note: in cases of genuine financial hardship it may be possible for this price to be subsidised. Please contact the JCR President – [hala.heenan@durham.ac.uk](mailto:hala.heenan@durham.ac.uk)*
7. This price may be subject to change. It includes: access to all social events throughout the week including: club night entry from Sunday to Saturday (one club a night), free access to all activities (10 pin bowling/coffee shop tours are examples of previous years), a trip to Newcastle and also a wine and cheese tasting on the final night. This is collected and administered by the JCR.  
*Note: in cases of genuine financial hardship it may be possible for this price to be subsidised. Please contact the JCR President – [hala.heenan@durham.ac.uk](mailto:hala.heenan@durham.ac.uk)*
8. If you need advice on finances or are in need of financial support, please contact The Revd Dr Ashley Wilson (Vice-Principal & PG Director) or Alistair Jenkins (Director of Finance & Operations)
