# Policy and Procedure for Student Complaints of Harassment and Bullying Against Staff

---

## 1. Scope and Purpose

1.1 All students have the right to study and to feel safe in an environment which is free from harassment and bullying. This policy has been written to support the development of a learning and living environment (including online) in which harassment and bullying is unacceptable and the understanding of this is such that individual students have the confidence to complain, without fear of reprisal or recrimination, in the knowledge that their concerns will be dealt with seriously, appropriately and fairly.

1.2 This procedure sets out how St Chad's College will deal with alleged incidents of bullying and harassment where the Reporting Party (the individual making the complaint) is a student and the Responding Party (the individual against whom the complaint is being made) is a member of staff, irrespective of their role.

1.3 More specifically, the objectives of the Policy are to:

- Enable students to identify and understand what harassment and bullying are;
- Provide a framework for handling complaints of harassment or bullying made by students against staff members; and
- Ensure all incidents are dealt with in a consistent, fair and appropriate manner.

1.4 Staff are defined as anyone employed by St Chad's College on a full or part-time basis, on a permanent, temporary or casual contract.

1.5 The policy does not apply to self-employed contractors or agency workers.

1.6 Where the Responding Party is a student who is also a staff member, the Finance and Operations Director (or their nominee) will decide whether this staff procedure or Durham University's Bullying and Harassment Policy and Procedure for Students will be followed, dependent on the circumstances of the allegation and the most appropriate way of managing the investigation.

1.7 Where St Chad's College is made aware of any incidents or allegations which are unrelated to the University, such as incidents or allegations that happen outside of a staff member's contract of employment and which may be a concern for the College, the College reserves the right to take action under this procedure, the Staff Disciplinary Policy and Procedure, or any other College policy deemed appropriate to the circumstances.

1.8 Any offence which may also be of a criminal nature or involve issues of public protection may also be referred to the Police. The College reserves the right and may be under an obligation to share information in circumstances where such disclosure is necessary to protect any individual or the wider University community from harm or to prevent a crime from taking place. The Reporting Party will be kept informed if it is felt action needs to be taken.

## 2. St Chad's College and Durham University's Commitment

2.1 The Wider Student Experience Strategy adopted by Durham University's Council in July 2020 describes the "unacceptable behaviours that have been exhibited by a minority in recent years", and asserts that "the University cannot achieve what it hopes for while such behaviours are allowed to continue in any shape or form". The Commission on Respect, Values and Behaviours in 2019-20 found that bullying and harassment were frequently experienced by students and not sufficiently controlled by existing procedures. The Wider Student Experience Strategy therefore set the University a strategic goal of "Embedding Responsibility and Respect", under which "the University will foster a student culture that places a universally high value on respect and concern for others". St Chad's College supports these goals fully.

2.2 St Chad's College is fully committed to the development of policies and procedures to eliminate discrimination and actively promote equality of opportunity for our students. Alongside Durham University, we believe that where respect for diversity and equality of opportunity exists, all students work in a more rewarding and less stressful environment; one where discrimination, prejudice and harassment are not accepted, and one more likely to enhance performance and achievement, allowing all members of our community to fully demonstrate and use their skills and talents and achieve their full potential.

2.3 Allegations of harassment and bullying will be treated very seriously by the College and can result in disciplinary action being taken against the person who committed unwanted behaviour. As the College views harassment and bullying as serious offences, any individual who makes a vexatious, demonstrably false or malicious claim of harassment or bullying will be dealt with in accordance with the University's Code of Practice on Student Behaviour in Appeals and Complaints and may be subject to disciplinary procedures under College Regulations and University General Regulation IV – Discipline.

2.4 As part of its commitment to eliminating harassment and bullying, the College undertakes to:

- Apply this policy equally to all students registered at the College and, where relevant, all staff members;
- Ensure an initial acknowledgement to any complaint is issued to the Reporting Party normally within five working days of the complaint being received and to keep all parties informed of the progress of the complaint;
- Treat all allegations of harassment or bullying seriously, fairly, sensitively, without unreasonable delay and with appropriate regard to confidentiality;
- Publicise this Policy as widely as possible in order to ensure that students and staff are aware of its existence, especially those in student-facing roles;
- Provide student support and advice from the relevant staff members;
- Monitor the effectiveness of the Policy.

### 3. Advice and Support

3.1 St Chad's College and Durham University provide a range of support for students who feel they have been subject to harassment or bullying. It is recommended that students seek advice and support in the first instance.

3.2 This can be done in a number of ways:

- **Student support staff at St Chad's College** – the Vice Principal and Assistant Principals can be contacted for support via email to [chads.support@durham.ac.uk](mailto:chads.support@durham.ac.uk).
- **JCR and MCR Student representatives or your College Tutor** can provide support and guidance for students being bullied or harassed.
- **Durham Students Union** – independent support is available to students through the Durham Students' Union Advice Service. They provide one to one support, advice and guidance on addressing issues informally or making a formal complaint.
- **Report and Support Online Tool** – students can make reports of bullying and harassment through the Report and Support tool (<https://reportandsupport.durham.ac.uk>). This tool covers reports of unwanted behaviour, such as bullying and harassment, hate incidents, sexual misconduct and violence and domestic abuse.
- **Bullying and Harassment Support Advisors Network** - Durham University operates a network of Bullying and Harassment Support **Advisors** who can be approached by students and staff. The Advisors can be contacted directly ([www.durham.ac.uk/equality.diversity/harassment/supportadvisors/](http://www.durham.ac.uk/equality.diversity/harassment/supportadvisors/)), or through the Report and Support online tool by making a report.
- **The University's Counselling & Mental Health Service** – the University's Counselling & Mental Health Service offers a high standard of service in professional counselling for any student who finds that their difficulties are hard to manage, and/or their difficulties are affecting their studies. Please see [www.durham.ac.uk/counselling.service/](http://www.durham.ac.uk/counselling.service/) for further details.

3.3 Staff members can seek support from the Durham University Bullying and Harassment Support Advisors Network described above, as well as from the following sources:

- **Your Line Manager** – a staff member's line manager has a neutral role in which they can listen and suggest possible ways forward with reference to policies and procedures.
- **The HR Team** – The Finance and Operations Director is the College's HR lead and can be approached to discuss HR support and advice.
- **Trade Unions** - A trade union is a group of employees who join together to maintain and improve their conditions of employment. The typical activities of trade unions include providing assistance and services to their members, collectively bargaining for better pay and conditions for all workers, working to improve the quality of public services, political campaigning and industrial action. The College recognises the following trade unions - University and College Union (UCU) (formerly AUT), Unite (formerly Amicus), G.M.B. and UNISON.

## 4. Procedures for making a complaint about Harassment and Bullying

### 4.1 Principles

4.1.1 Where a student considers themselves to be under physical threat or at serious risk of imminent harm, they should always contact the Police in the first instance. Support for

students in this situation can be provided by those members of the College community set out in the section 'Advice and Support' above.

4.1.2 Students should raise complaints of harassment or bullying in a timely manner. Unless the College is notified of incidents of harassment or bullying within a reasonable length of time, the College may not be able to adequately investigate or take steps to prevent or eliminate harassment or bullying. However, where there are exceptional reasons for delay, a significantly delayed complaint may be considered.

4.1.3 The College will act as appropriate and without unreasonable delay on reports of bullying and harassment alleged against a member of staff of the College.

4.1.4 All parties involved should act in good faith to seek a successful resolution of any complaint at as early a stage as possible.

4.1.5 All parties will be treated fairly, consistently and with respect.

4.1.6 A student raising a complaint under this procedure has the right to have the complaint reviewed and if deemed necessary, investigated and handled appropriately by the College and meetings, decisions and confirmation of decisions will not be unreasonably delayed.

4.1.7 The individual or individuals against whom a complaint is made shall have the right to respond to any allegations made against them should any investigation be required.

4.1.8 All parties involved in the investigation process must submit all relevant evidence at the time of the investigation. All evidence submitted will be shared with the Reporting Party, Responding Party, Investigator and named contact within the relevant Student Support Office.

4.1.9 Use of a third party to help resolve the problem, whether internal or external, may be considered where deemed to be appropriate by the College.

4.1.10 Should the complaint also be investigated by the Police, the investigation may need to be postponed. If this is the case, advice can be sought from the relevant Student Support Office or the Finance & HR team.

4.1.11 The Investigating Officer will act promptly and tactfully, observing appropriate levels of confidentiality at all times.

4.1.12 A complaint determined by the College to be malicious, demonstrably false or vexatious may give rise to disciplinary proceedings against the Reporting Party.

4.1.13 The Finance & Operations Director or a delegated College Officer will consider any support needs of the parties involved in the report. They will undertake a risk assessment, seeking specialist advice where required, in order to determine if any precautionary measures are required.

## 4.2 Suspension from duty

4.2.1 Where an allegation of a serious offence has been made against a member of staff, for example an offence that may amount to gross misconduct, it may be appropriate to suspend the member of staff from duty on full pay. Full details of suspension process can be found in the Staff Disciplinary Policy and Procedure.

## 4.3 Informal Stage

4.3.1 The student should discuss any incident of harassment or bullying with a trusted fellow student or with a member of the College community outlined in section 3.2 above. The

student should keep a note of the details of any relevant incidents which cause offence, including dates, times and the names of any witnesses; and any relevant emails, notes etc.

4.3.2 In some less serious cases, a student may feel confident to approach the person about the matter. A record of such an approach should be kept.

4.3.3 Often a person approached in this way may not have been aware that their actions have been perceived as harassment or bullying and thus stop the behaviour without the need for further action. Where the behaviour continues or if the behaviour is of a more serious nature, a student may consider a more formal approach necessary.

4.3.4 Where appropriate, a student should speak or write to a College Officer (Principal, Vice Principal or Finance and Operations Director). Students can request that these staff speak on their behalf to the person concerned in accordance with the Informal Stage.

4.3.5 In the event that these steps fail to resolve the matter the student may request an investigation to be carried out by the College. Advice about the conduct of the investigation can be sought from the Vice Principal or Finance and Operations Director.

#### 4.4 Formal Stage - Investigation

4.4.1 A formal complaint may be made in writing to the Vice Principal or Finance and Operations Director. The complaint form is available on the College webpages. Students should aim to provide as much information as possible of the events complained of, any supporting information and, where possible, a clear indication of the outcome sought.

4.4.2 The Vice Principal or Finance and Operations Director will acknowledge receipt of the complaint within five working days.

4.4.3 The complaint will then be referred to the relevant manager for formal investigation. College Officers will decide whether or not to accept the case for investigation.

4.4.4 If the complaint is accepted for investigation, the relevant manager or their nominee will appoint an Investigator to investigate the complaint.

4.4.5 Please note that if the Reporting Party is unwilling for the Responding Party to be informed of their identity or the substance of the complaint against them, the investigation cannot normally proceed.

4.4.6 An investigation will be undertaken without unreasonable delay. All parties involved will be expected to maintain appropriate levels of confidentiality. The Reporting Party and Responding Party may be informed that they should not make any contact with each other during the course of the investigation unless otherwise instructed by the Investigating Officer.

4.4.7 The Reporting Party and any potential witnesses of the alleged offence will be required to attend a meeting with the Investigating Officer. Students may be accompanied by a member of the College community such as a member of staff, Students' Union representative or a fellow student.

4.4.8 The Responding Party will also be informed of the formal complaint made against them and asked to attend a meeting with the Investigating Officer. Members of staff may be accompanied by a trade union representative or work colleague. For the avoidance of doubt, the work colleague must be an employee of St Chad's College, not acting in a legal capacity. During this meeting, the complaint procedure will be explained and the details of the

allegation against them will be confirmed. They will be given a full and fair opportunity to explain or present their version of events in response to the complaint.

4.4.9 The Investigating Officer may hold additional meetings or consult with additional parties as necessary to reach a decision. The Investigating Officer will subsequently write to all parties, advising of the outcome of the investigation.

#### 4.5 Investigation Report

4.5.1 The Investigator will make a finding as to whether bullying and/or harassment has occurred and if so, whether the behaviour in question was intended to cause harassment or whether the Responding Party could reasonably be expected to know that their behaviour would cause harassment. Having reached this decision, the outcome of the investigation may be:

- Complaint not founded – in such an instance, the case would be dismissed and no further action taken.
- Complaint founded – if this is the case, the Investigating Officer will propose further action.

4.5.2 Where the Investigating Officer determines that the complaint is founded, and therefore that a staff member may have breached the Staff Disciplinary Policy and Procedure, the Finance and Operations Director (or nominee) will initiate the next steps as is deemed appropriate in line with the College's Staff Disciplinary Procedure or other relevant College process.

4.5.3 The Reporting Party and the Responding Party will receive the outcome of the investigation in writing in an outcome report.

#### 5. Request for Review

5.1 If the Reporting Party is dissatisfied with the outcome of the investigation, or they believe the matter has not been handled fairly or properly in accordance with the Policy, they will be given the opportunity to request a review.

5.2 A review request must be made in writing within ten working days of receipt of the outcome.

5.3 They will be asked to state the grounds of their review request, and the right to review will only be granted if there is evidence of the following:

- Procedural irregularity, or
- Evidence of further material circumstances which could not reasonably have been expected to have been submitted for consideration at the time of the investigation.

5.4 The Vice Principal or Finance and Operations Director will identify another senior staff member, independent of the case, to undertake the review.

5.5 The case will be reviewed on the basis of the documentation provided by the Reporting Party and that held by the original Investigator. The Reviewer may decide to seek further information if necessary.

5.6 The Reviewer may then decide to take action as follows:

- Uphold the original decision.

- Refer the case back to the Investigator(s) to reinvestigate in light of new evidence or in a procedurally correct manner. This may involve the reallocation of the case to an Investigator who had no prior involvement in the case.

5.7 The Reporting Party will be informed of the outcome of the review request within 28 days of receipt. The decision of the reviewer is final.

5.8 The Responding Party does not have a right to request a review of this process. If the outcome reports recommends that action be taken under another College process (for example disciplinary), the Responding Party will have the opportunity to raise their concerns as part of that other process.

5.9 Once all internal processes have been exhausted, a student can make a complaint to the Office of the Independent Adjudicator for Higher Education (OIA) if they remain dissatisfied with the College's decision. Further information is available on the OIA website ([www.oiahe.org.uk](http://www.oiahe.org.uk)).
