## Publication Scheme

Updated: Epiphany 2025  
Review Due: Epiphany 2026

### PART ONE

#### Introduction

This publication scheme aims to help you find basic information about the College easily and quickly.

#### 1. Legal requirement

1.1 According to advice received by the Information Commissioner's Office, the College is no longer subject to the Freedom of Information Act because it no longer receives support under section 65 of the Further and Higher Education Act 1992.

1.2 'Public authorities' are defined in the Act and include companies wholly owned by universities, further education colleges and sixth form colleges. However, St Chad's is an independent company limited by guarantee and is not owned by the University.

1.3 Nonetheless, the College has adopted this publication scheme to promote openness and accountability.

#### 2. What is a publication scheme?

2.1 A publication scheme is a document that describes the information a public authority (or in this case an institution that is *not* a public authority) publishes or intends to publish. In this context, 'publish' means to make information available, routinely. These descriptions are called 'classes of information'. The scheme is not a list of the actual publications, because this will change as new material is published or existing material revised. It is, however, our intention to make available the information described.

2.2 A publication scheme sets out the classes, or categories, of information published. It makes clear how the information described can be accessed and whether or not charges will be made.

#### 3. Who we are

3.1 St Chad's College is a private company limited by shares, incorporated in 1904.

## **4. Accessing information covered by the publication scheme**

4.1 The classes of information we publish are described in the second part of the scheme.

4.2 Next to each class we have indicated the manner in which the information described will be available. Any individual who requires that information be produced in a different format is invited to contact the Secretary, St Chad's College to discuss ways in which your specific request for information can be made available to you. We have also indicated whether charges apply to material in each class.

4.3 To request information available through our publication scheme, please contact:

The Academic Office Administrator,  
St Chad's College,  
18 North Bailey,  
Durham  
DH1 3RH

4.4 Please note that a publication scheme relates to 'published' information. Therefore, material covered has already been prepared in a format ready for distribution.

## **5. What about information not covered by the publication scheme?**

5.1 From 1 January 2005 you have had the right, under the Freedom of Information Act 2000, to request any information held by a 'public authority' that it has not already made available through its publication scheme. This does not, however, apply to St Chad's College.

## **6. Feedback**

6.1 We hope that this publication scheme meets your needs. If you find the scheme difficult to understand, please let us know. We also welcome suggestions as to how our scheme might be improved. Any questions, comments or complaints about this scheme should be sent in writing to the Publication Scheme Co-ordinator below.
